

Violence Prevention Coalition
IDEA GENERATION SHEET

We are interested in your feedback and ideas regarding how violence can be prevented in our community. Please share those ideas with us below.

*Name: _____

*E-Mail: _____

*Phone: _____

*Neighborhood: _____

What types of activities are needed to engage the community's young people?

What employment opportunities do you feel are needed in the community?

What role does parental involvement play in preventing violence and what can be done to encourage involvement from parents?

What communication gaps do you see in our community that, when bridged, could assist with violence prevention?

What suggestions do you have regarding the Violence Prevention Coalition?
